

How to **WIN** a game

**AND**

**WIN** a Friend

1. When I WIN a game, I feel HAPPY!

2. It's OK for me to say, **"Yea!"** and to **throw my hands up in the air.**

3. I also want my friend to feel HAPPY for me. BUT – he might be SAD that he or she lost.

4. Because my friend might feel SAD, I only celebrate and then...

**I want to make my friend feel better, so I say, "Nice try." or "Better luck next time."**

5. I can also shake my friend's hand.

**“Nice try.”**

**“Better luck next time.”**
